## Health & Safety Policy Statement

The management of PWS recognizes that the health, safety and welfare of all employees is primarily the managements, responsibility and further, a duty of care extends to other persons while they are on the Company's Premises. The aims of the PWS group are to promote health and wellbeing of all employees and visitors.

We aim to comply with the following acts:

- Health and Safety at Work Act (NI)1978
- Safety, Health and Welfare at Work Act (ROI) 2005
- Safety, Health and Welfare at Work (Construction) Regulations (RoI) 2013
- Safety, Health and Welfare at Work (Work at Height) Regulations (RoI) 2006
- Safety, Health and Welfare at Work (General Application) (Amended 2012) Regulations (RoI) 2007

and all other allied relevant legislation including all amendments and other requirements as and when appropriate.

### Statement Objectives

In order to achieve compliance with the statement of policy, the PWS Group has set the following objectives:

- To set and maintain high standards for health and safety at its offices and whilst in the premises of customers
- To set the highest standards of health and safety at all time whether on its own premises or while visiting another site on company business.
- To identify risks and set in place procedures and practices to reduce or remove them.
- To ensure that our policy with regard to health and safety is communicated to all stakeholders.
- To ensure that all personnel are given the necessary information, instruction and training to enable them to work in a safe manner.
- To promote a dialog on health and safety issues between stakeholders and management.
- To develop promotional campaigns and otherwise to encourage safety and health awareness of employees and visitors.
- To monitor, review and continually improve the operation and policies found in the IMS.
- Comply with National Highways Sector Scheme 9A for Quality Management in Highway works.
- Comply with the European standard EN 12899-1:2007 for CE Marking traffic signs.

This policy is reviewed annually at the management review meeting and is available to all interested parties on request.
