Quality Policy Statement

The PWS Group's mission is to be an industry leader in the manufacture and supply of road traffic signs and equipment.

Our Integrated objectives are to:

- Design, manufacture, supply & install traffic control signs and equipment the required standards.
- Provide excellent, professional and friendly interface with our customers.
- Continually improve the effectiveness of our Quality Management System.
- Ensure that our legal obligations with respect to our products are met.
- Comply with the European Standard EN 12899-1:2007 for CE Marking of traffic signs
- Comply with National Highways Sector Scheme 9A for Quality Management in Highway works.

The PWS Group is committed to realising the above objectives and to this end has installed an Integrated Management System to the level of BS/EN/ISO 9001:2000. We are committed to continually improve this Integrated Management System.

The Quality Policy is communicated within the PWS Group and reviewed at the Management Review Meeting.

The Integrated Management System is implemented with the full approval of the management and all personnel within the PWS Group are directed to operate in accordance with the procedures defined within.
