## Details

They are covered with 3M HIP (High Intensity Prismatic) reflective sheeting which provides excellent visibility for motorists and pedestrians in both daytime and low light conditions. They can be supplied in any colour required and are quick and easy to install or replace using the screw-in feature at the bottom of the bollard

The Pencil bollards are fully impact resistant – can be driven over by vehicles and they will rebound and stand back up straight again. Their ability to survive multiple impacts means they offer exceptional value and will continue to function for extended periods.

PWS Screw-In Pencil Bollards are available in range of colours - Yellow, Blue, Green & Red.
